

# **THE SAM HERWALD JNF WEDNESDAY CLUB**

**JULY AND AUGUST 2018**

**MEETINGS ARE EVERY WEDNESDAY STARTING AT 2.00PM & END AT 4.00PM**

4<sup>TH</sup> JULY: **Barbara Pearlman** will speak to us. The title of her talk is “**Survival of the fittest. Life and me!**” Come and hear Barbara give us her take on life skills, coping, etc.

11<sup>TH</sup> JULY: **Michael Swerdlow** returns with a talk entitled “**The Contribution made by Jewish Composers and Lyricists to the American and British Popular Song.**” This should have us all tapping our feet and remembering the old tunes that we know and love.

18<sup>TH</sup> JULY: Continuing with the theme of song, **The Amiche Choir** will show us that they are “**More than Melody Singers.**” This promises to be an afternoon of superb entertainment.

25<sup>TH</sup> JULY: **Alan and Aukje Clegg** will give a talk entitled “**The Peaceful Dutch Resistance in Northern Holland**” and tell us the story of Aukje’s heroic Mennonite parents, focusing on the Jewish people they hid and saved during WW2 and what became of them. This should be very moving. Aukje’s parents were committed to non-violence.

1<sup>ST</sup> AUGUST: We welcome **Dave Clegg (no relation!)** whose talk is entitled “**Heaton Park.**” A short title, but Dave will have a lot of interesting facts about Europe’s largest municipal park.

8<sup>TH</sup> AUGUST: **Hilary Fagen** will tell us about “**Metal Detecting.**” Will we want to acquire metal detectors? Maybe! Come along and find out about this absorbing hobby.

15<sup>TH</sup> AUGUST: Our speaker will be **Rosemary Ryan** whose talk is entitled “**Return to Pakistan.**” This should be a fascinating talk about a country we’ve all heard of but maybe don’t know that much about.

22<sup>ND</sup> AUGUST: **Howard Levy**, a brand new speaker for the Club. “**Go to Hull!**” Come and hear about 250 years of Jewish life in the city of Kingston upon Hull, to give its correct name!

29<sup>TH</sup> AUGUST: To finish the Programme, we welcome **Hilary Clayton**. Hilary’s talk is entitled “**My Work in the Tribunals.**” This will be a fascinating glimpse into the world of tribunals, an important part of the legal system, with a few amusing anecdotes for sure!
