

# THE SAM HERWALD JNF WEDNESDAY CLUB

MAY AND JUNE 2018

MEETINGS ARE EVERY WEDNESDAY STARTING AT 2.00PM & END AT 4.00PM

2<sup>ND</sup> May: Michael Black, Barry Black together with musical colleague Simon will entertain us with “A Musical Extravaganza!” Three superb instrumentalists on accordion, harmonica and violin respectively – an afternoon not to be missed.

9<sup>TH</sup> MAY: Rabbi Daniel Walker will speak to us. The title of his talk is “The Lost Tribes of Israel.” If, like me, you wondered what happened to them, this is the time to find out!

16<sup>TH</sup> MAY: Come and hear Ros Livshin on the fascinating topic of “Genealogy – how to find out about our forbears.” This is a subject which gets everyone going!

23<sup>RD</sup> MAY: Brian Green will enlighten us with a hugely interesting talk entitled “Andrew Lloyd Webber and his amazing technicolour dreamcoat!” If you are a fan of Andrew Lloyd Webber and his many musicals, do not miss this event.

30<sup>TH</sup> MAY: The title of the talk to be given by Steven Mintz is “GMP: A unique Jewish Opportunity.” Come and hear why we should all think about joining the “Specials.”

6<sup>TH</sup> JUNE: Well known legal luminary and retired judge Lindsay Kushner will tell us how she is “Not Shy and Retiring!” This promises to be a very interesting afternoon.

13<sup>TH</sup> JUNE: Andrew Levy’s talk is entitled “Incredible Edible.” There is a movement to grow food crops here, there and everywhere, often in unexpected places.

20<sup>TH</sup> JUNE: Rabbi Robyn Ashworth Stein will speak to us on “Being Manchester’s First Female Rabbi.” Another brilliant afternoon is assured with this very engaging speaker.

27<sup>TH</sup> JUNE: Mickey Van Gelder will entertain us with “Songs with a Jewish Connection.” What better way to end this Programme than with a lovely afternoon of songs ranging from Yiddish melodies to Gershwin, Irving Berlin to name but a few. Sit back, relax and bask in some beautiful nostalgia.

CO-CHAIRLADIES: DOROTHY LEVY 795 4965 AND SHIRLEY LOOFE 773 4792
